

✦ LAUNCHING Q1 2026

You're Early. This Is the Infrastructure Behind the Creator Boom.

Billions are spent on content, yet creators still get ghosted, underpaid, or lost in chaos. Forreels fixes that — with AI, built-in trust, and seamless collaboration.

PROBLEM & SOLUTION

Hiring Creators Is Hard. Forreels Makes It Easy.

Creative hiring is broken: no trust, no systems, no consistency. Forreels brings structure, safety, and scale to the creator economy.

THE PROBLEM

[01]

Creators waste 10–20 hours per gig on logistics

[02]

Brands overspend on agencies due to chaos

[03]

No global system for hiring, paying, and managing creatives

THE SOLUTION

[01]

Verified creator marketplace — talent meets trust

[02]

Built-in contracts, escrow, project management

[03]

AI-powered talent, crew, and location matching

[04]

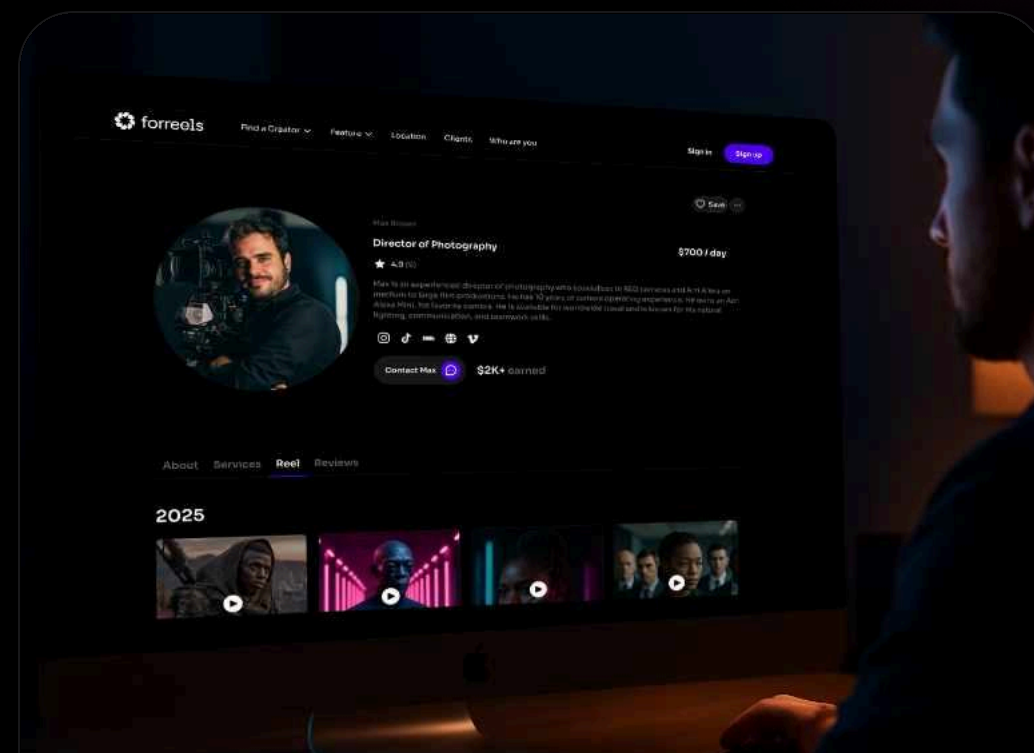

Book, pay, and collaborate — all in one place

THE PRODUCT

The Stripe + LinkedIn of the \$300B Creative World

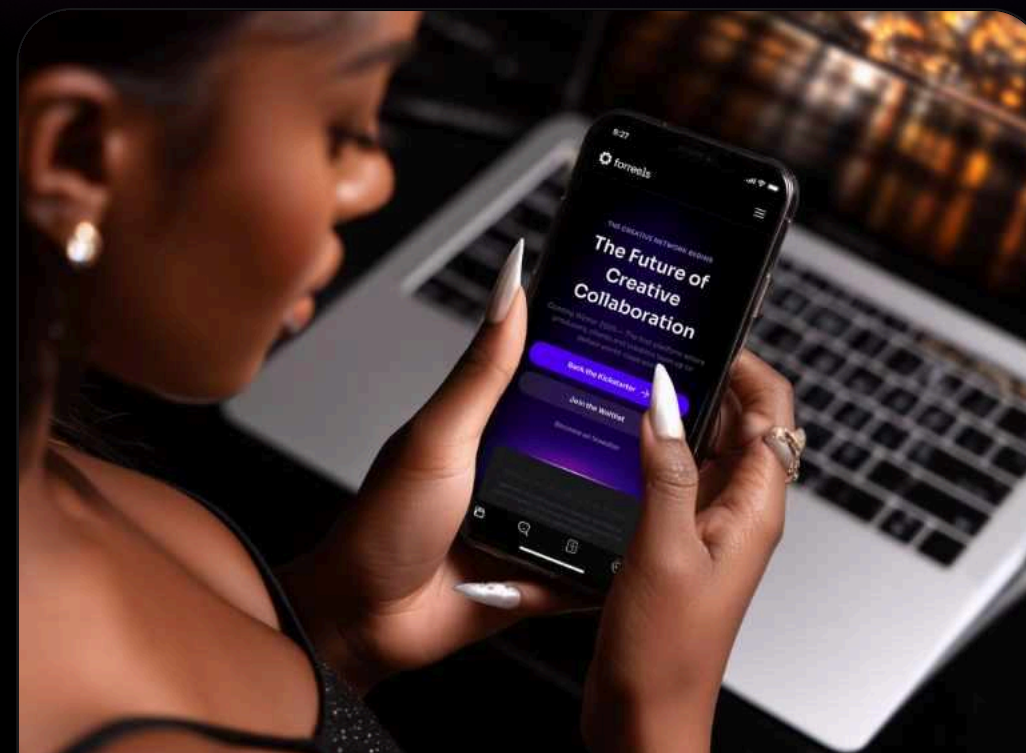

One platform to search, book, pay, and collaborate with trusted creators — globally.

Built by creatives.
Backed by tech. Designed to scale.

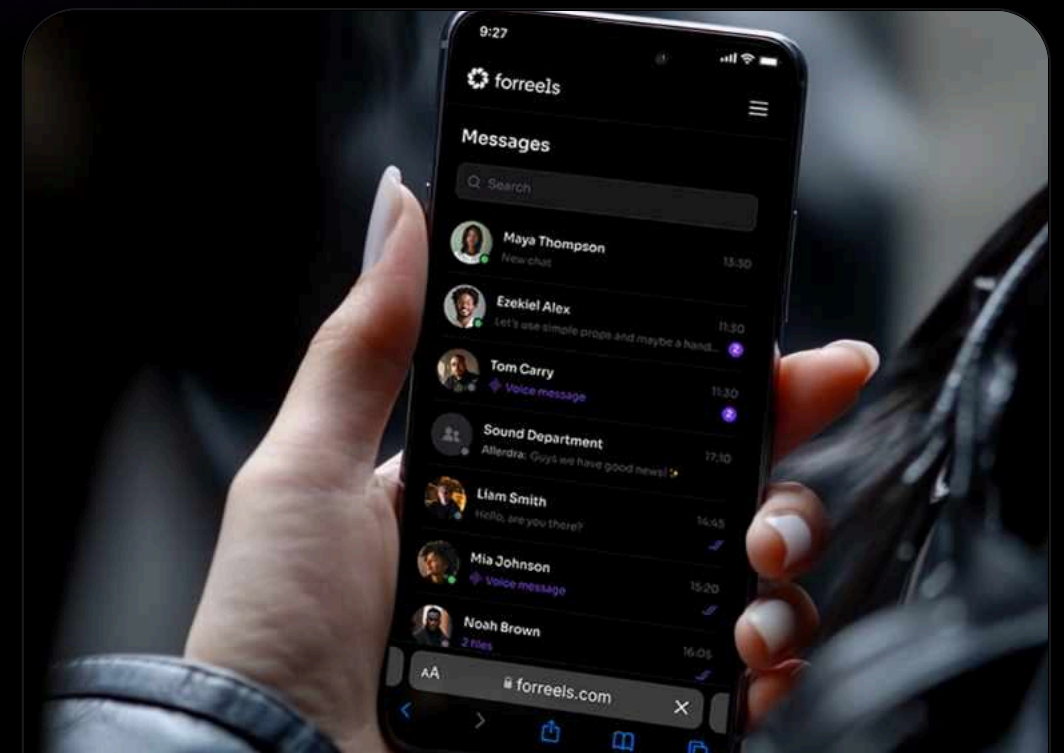

Search & Book

Instantly find vetted creators, crew, or locations and book in one place

Pay

Milestone-based escrow payments with auto handoffs and receipts
